THE FOUNDATION FAITH OF GOD

Outreach '80

MAY 1980

For behold, I create new heavens and a new earth: and the former shall not be remembered, nor come into mind.

Isaiah 65:17

Nevertheless we, according to his promise, look for new heavens and a new earth, wherein dwelleth righteousness.

II Peter 3:13

DALLAS
Rev. Smith Goes To Washington

Rev. Lucia Smith, director of The Dallas based *Crusade of Innocence*, visited the Crusade's operation in Washington, D.C. last month for a week of meetings and trainings with hospital staff and volunteers involved in the program there.

Born out of her own experience of grief and the *healing love of Jesus Christ, The Crusade of Innocence* represents Rev. Smith's very special calling to help parents of terminally ill children come to terms with the fact of a dying child, while offering *vital fun* and *entertainment* through the *Clown Ministry* to hospitalized and shut in youngsters suffering from chronic and terminal illness.

In the Washington, D.C. area, *The Crusade of Innocence Clown Ministry* sponsors regular volunteer programs at the *National Institute of Health, Bethesda Naval Hospital, Georgetown University Hospital* and *D.C. General Hospital.*

This is extremely meaningful and gratifying volunteer work. For information about how you can participate in existing *Crusade of Innocence* programs in Washington and Dallas or for information about starting a *Clown Ministry* outreach in your area, write to Rev. Lucia Smith c/o *The Crusade of Innocence.*

JESUS HEALS

Many come to Christ through *The Healing Ministry.*

The ministry of **Jesus,** when he walked the earth nearly 2000 years ago, was a **ministry of healing.** He healed bodies, minds and souls in proclaiming the **Love** of GOD for His creation.

Physical healing, however, was the most *demonstrative and powerful witness* to GOD's Great Love and Jesus' mission.

The same is true today. **Jesus heals,** and the powerful witness of the healing power is *bringing souls to The Lord* all over the world.

The very blessed ministry of Rev. Sharon St. Joan, Director of *The Healing Ministry of The Conquering King* is one of a number of Foundation outreaches which GOD is using to bring the message of the *healing power of Jesus Christ* to a troubled world.

In a recent conversation with the *Foundation Newsletter* staff, Rev. St. Joan had this to say about her work for The Lord.

"Jesus specifically commissioned his disciples to 'heal the sick', and to his disciples in the world today the same commission applies. Whether the healing be of the mind, body or spirit we are called by GOD to proclaim the marvellous power of Jesus Christ to restore, to heal and to redeem. I thank GOD that He has called me as a channel for healing in Jesus name and want to share this gift with as many people as possible."

Rev. St. Joan is also the founder of *The Prayer Fellowship of America* and invites you to participate in this great network of healing prayer and testimony involving thousands of believers around the world. For information, write *The Healing Ministry of The Conquering King,* P.O. Box 445, New York, NY 10017.

AROUND THE FOUNDATION

ATLANTA

The Lord has led the *Atlanta Foundation* to start a *Christian Lending Library,* to help spread knowledge of The Lord and His glory.

If you have any books at home that you have read, and would like to pass onto others, please bring them by or mail them to the Atlanta Foundation. In this way, important books will be made available to many.

CHICAGO

Rev. Faith Maloney has been working as liaison person for the *Church Federation of Greater Chicago* with the Vice President of *Needham, Harper and Steers* advertising agency to develop a new logo for the *Church Federation. Needham, Harper and Steers,* handling such accounts as *IBM, MacDonalds* and *Xerox,* has kindly lent the expertise of its artistic staff to the task of coming up with the appropriate symbology. Not coincidently, Rev. Faith is also a gifted artist.

DENVER

The New Covenant Crusade has announced the beginning of a program of hospital visitation and counseling to Denver area hospitals. For information on volunteering your time in this blessed work call or write to Rev. Anne Daniel, c/o *The New Covenant Crusade.*

DALLAS

Rev. Jason Smith, a gifted teacher and Evangelist has begun a new series of workshops at the *Dallas Foundation's* new center at 3716 Bowser Street.

The series called *'Christ Encounter'* brings out the practical simplicity of Jesus' teachings, not as a theory, but as a way of life. To enroll in the course, call or write *The Dallas Foundation,* 3716 Bowser Street, Dallas, Texas.

FOUNDATION PERSPECTIVE

Herein is love, not that we loved God, but that he loved us, and sent his Son to be the propitiation for our sins.

I John 4:10

The **love** of GOD, requiring only our acceptance of His **free gift** to all creation is the **grace of salvation.**

This month we invited several Foundation Ministers to comment on **'GOD's Unconditional Love'.**

Rev. Raphael de Peyer, Director of *The Atlanta Foundation:*

"The unconditional Love of GOD is the cornerstone of faith and the whole thrust of Jesus Christ's message, yet it is more often than not misunderstood or altered to convenient interpretations.

"GOD's unconditional Love does not mean that GOD approves of everything we do, nor does it mean, as many would like to believe, that GOD is such a nice guy that He lets us do anything we want to do without spiritual consequence.

"GOD's unconditional Love DOES mean that He is always there, ready and willing to accept us when and if we turn to Him, regardless of our worthiness or lack of it or any prior personal condition. When that happens, when we turn from dependence on ourselves and others to dependence on GOD and feel and accept His overwhelming Love that meets every need then all the futile attempts of self gratification and self fulfillment cease to hold any attraction for us.

"We don't need to take or grab because we know that GOD provides, we don't need to prove ourselves as better than others because we know that we are loved and accepted just as we are by the greatest being in the universe, we don't need to demand or depend on love from others, but rather we can give love and security to others because we are filled with an abundance of GOD's Love. And perhaps most satisfying of all, our desires to achieve, to create, to build are no longer motivated by personal need, physical insecurity or pride, but rather by a desire to give to and glorify GOD whose unconditional Love sustains us."

Rev. Magdalene St. Claire, Director of *The Northeastern Foundation:*

"The unconditional Love of GOD is expressed in its fullness in Jesus Christ, and it is almost too good to be true.

"The image of a vengeful, petty and spiteful GOD is quite simply a lie and has nothing whatever to do with reality.

"In truth, GOD extends an open hand of Love to each of us through the person of Jesus Christ. If we reach out and take GOD's hand, all the fear and isolation of being alone in a hostile world at the mercy of an unknown and frightening GOD dissolves forever. In its place comes the comfort of knowing that we are not alone, and that GOD is, after all, on our side. He is a friend, a companion and a guide in the marvellous world of His Kingdom which we enter as little children: free of responsibility, free of fear, free to reciprocate GOD's Love by sharing it with others."

Rev. Simon Moor, Co-Director of the *Divine Grace Ministries*, in New Orleans:

"The unconditional Love of GOD is the most incredible gift imaginable. It's the still, small voice of GOD speaking to your soul that says, 'You're OK, you're mine, you are loved.' *And GOD assures you that all the things that you've done that you feel so ashamed of, reflect not on you, but upon the world and the prince of this world.*

"The Love of GOD separates you, a child of GOD, from the guilt, shame and fear which Satan, the accuser, tries to heap upon your head."

Praise GOD!

MEDIA

On radio and television stations across the country, Foundation Ministers are spreading the good news of the *Gospel of Jesus Christ* to millions upon millions of at home viewers and listeners.

Whether on regularly scheduled Foundation broadcasts, as featured talk show personalities or as guest evangelists, the Ministers of *Outreach '80* strive always to reach GOD's people, especially those who do not yet know The Lord, with the *very personal message* of His *overwhelming love* and His *special purpose* in these Latter Days.

This month we are guided by The Lord to extend our thanks and recognition to the following radio and television stations who have opened their doors to the word of GOD: WHN and WNBC radio in New York; WELI in Bridgeport, Conn.; Channel 4 and Channel 6 TV in New Orleans; KTVT Channel 11, KNUS and KRLD in Dallas; WDJC, WLPH and WBMG-TV in Birmingham; WSB-TV, WAGA-TV and WKLS-AM and FM in Atlanta.

These are just some of the stations which regularly participate in The Foundation media outreach. *May The Lord continue to bless all of them.*

NEW FOUNDATION BUILDINGS
Keeping Track!

Looking through recent issues of *Outreach '80 Newsletters*, the casual observer might easily wonder what on earth The Foundation is doing with all the new buildings and properties that we have acquired for The Lord's work.

Well, *thanks be to GOD the Father and Jesus Christ*, the ministry of The Foundation Faith of GOD is growing rapidly according to *The Lord's plan.* The new facilities which GOD has provided for us in many cities represents the need to accommodate many new people and activities while offering the best facilities possible for *worship* and *praise of The Lord.*

In order to keep you abreast, here are the new buildings that have been acquired since January, 1980.

DENVER: A new public center for the *Denver Foundation* and *The New Covenant Crusade* at 1478 St. Paul Street.

TORONTO: A new building for *The Canadian Headquarters* including *Faith Center* and *The Ministry of Miracles* at 24 Davenport Road.

BRAMPTON: A new outreach and a new location for *Faith Center* at 167 Queen Street, Brampton, Ontario.

DALLAS: A new center for *The Living Christ Ministries* and *The Crusade of Innocence* at 3716 Bowser Street in the Turtle Creek section.

NEW ORLEANS: Two new buildings for *The House of The Dove Crisis Shelter* in the 1700 block of Prytania near Coliseum Park.

•

And this month, it is our pleasure to announce the acquisition of yet two more new centers.

LAS VEGAS: This month the *Las Vegas Foundation* including *The Christian Mental Health Healing Ministry* moved to more modern, expanded facilities on Eastern Avenue near Charleston. The new center is designed to offer maximum accessibility and greater space for worship, fellowship and counseling.

WASHINGTON, D.C.: A beautiful new center was acquired this month for *The Northeastern Foundation* and *The Ministry of the Angels of Christ.* Located at 18 4th Street SE, this prime example of Capitol Hill architecture was restored and redecorated as a showcase for the *American Historical Society.* By GOD's Good Grace it is now in GOD's employ. We are grateful to GOD, and grateful to you who have made such growth and expansion a **powerful testimony to faith** in Jesus Christ.

ATLANTA

Poem from Prison

We are delighted to include in this month's newsletter a poem on being born again written by 'Gypsy', one of the attenders of *'The Path of Life'* Workshop conducted each week at the *Atlanta Federal Penitentary* by Rev. John Christopher. The sentiments expressed are a powerful witness to this very special ministry.

"BE WITH YOU . . ."

Lord, I was weary
in body and mind,
From searching for happiness
that I could not find.
I tried drugs and liquor
and other things too,
Now I've found real happiness
in just loving You.
I have just become a Christian
You have wiped out my sin,
You are in my heart now
and will be till the end.
Thank you Lord, for caring
and may we never part,
For I want You always in my life
and Your love in my heart.
I now believe in something
other than myself,
But, I'm just a baby Christian Lord
and I still need your help.
So Jesus, keep on teaching me
the things that I must do,
To lead a better life on earth
and to someday, "Be with You . . ."

CHICAGO
Spirit of Renewal Director Leads Healing Course at Area Medical School

Rev. Faith Maloney, for the second consecutive year, has given of her experience and expertise as co-instructor of a ten week course in *"Alternate Methods of Healing"* at prestigious *Rush Presbyterian St. Luke Medical School* in Chicago.

Each week along with host instructor Dr. Jeffrey Falloway, Rev. Maloney leads a group of first year medical students and nursing students to a greater understanding of spiritual and other healing methods not usually covered in Medical School programs.

Rev. Faith's special presentation to the students dealt with the *power of prayer* and the *laying on of hands.* Her convicting testimony to GOD's *healing power* serves to bring The Lord into areas that have previously been strictly the province of the secular world.

The Foundation believes that **all healing comes from GOD** and we encourage all possible cooperation between the medical profession and the *healing ministry of Jesus Christ.*

Such pioneering work by Rev. Faith Maloney and other Foundation ministers is a blessing and an inspiration.

THANKS

GOD is so good to this Ministry, and we thank Him always for His loving care.

However, you too, *our dear friends* and *supporters* are always in our prayers and The Lord guides us to extend *special thanks* this month to the following individuals and organizations who have lent a special hand to the work of the Ministry this month.

The *Sans Souci* restaurant in Washington, DC; *Logos Books Prison Ministry; Datasolve Computer Systems* in Phoenix; Mary Jo Peterson of WBMG-TV in Birmingham; and to the police and civil authorities in all *Outreach '80* cities without whose cooperation and support our work for The Lord would be near impossible - *GOD bless you all, and GOD bless all of our readers, friends and supporters who are the life-blood of this Ministry.*

...all things work together for good to them that love GOD, to them who are called according to his purpose.

TEACHING GOD'S PEOPLE

A very special gift and one much needed in this day and time is the ability to teach. It is a unique and GOD-ordained function that goes well beyond simply passing along facts, figures or doctrine of one form or another. Teaching as it is meant to be practiced means *guiding individuals* to a *uniquely personal understanding* of a given subject and how it relates to real everyday life.

Rev. Steven Hirano has been blessed by The Lord with a very special mixture of patience, humor, keen spiritual insight and a *great love for GOD's people*. He is a teacher in the truest sense of the word, guiding many to an *intensely personal understanding* of Jesus Christ and His message.

Rev. Hirano is the Director of *The Canadian Headquarters* in Toronto and leads seminars on The Holy Spirit and on the Teachings of Jesus throughout Ontario.

In regard to his gift, Rev. Steven had this to say. *"The Lord has shown me that teaching is about 95% atmosphere, environment and personal example and 5% factual information. It is pointless to try to teach the Gospel in an atmosphere and environment that doesn't honor the spirit of the Gospel or if one's own life is inconsistent with it. Without the presence of Jesus Christ in these three areas, you can teach the words of the Gospel backwards and forwards, but they will be hollow and meaningless in real life. This is a serious problem in Christianity today."*
